RADA

design: [busk+hertzog](#)

RADA is a shoe rack with a minimalistic design in chromed steel and a special lacquer. The unique design of RADA give the option to place the shoes in two different ways, where by it is suitable for lady shoes with high heels as well as trainers and boots. The discreet wall plate with concealed mounting also serves as a protection for the wall besides giving a strong and cleaing friendly fixing to the wall. The clean design with minimal use of materials make the design of RADA long lasting and suitable for almost any enviroment.

It is produced with black or white plate in 600mm or 1000mm length.

Rada has received 4 international design awards:

 <p>reddot design award winner 2013</p>	<p>Reddot design award 2013: with more than 11,000 submissions from 61 contries, the international "red dot design award" is the largest and most renowned design competition in the world.
