

Holt U shape lever handles

Description

Holt oak U shape lever handles on satin stainless steel Quadaxial roses.

Performance

- Suitable for interior applications
(Also available for external applications on request).
- Unifying super circular design for comfortable use by the elderly and arthritic.
- Warm to the touch.
- Lacquered finish that is easy to clean and maintain.
- Concealed fixings.
- In accordance with the recommendations of BS 8300 and Approved Document M.
- 10% lower embodied energy than comparable stainless steel products.

Production and Materials

The Holt U shape lever handle is crafted in the UK from oak and then precision finished with 5% matt interior lacquer. Durable steel components are inserted into the lever handle and then secured to the Quadaxial fixing rose manufactured from Grade 316 satin stainless steel.
